

Request for Quote (RFQ) Online Learning Survey Consultant

eCampusOntario is seeking quotes from qualified individuals to work as a Consultant with the Canadian Digital Learning Research Association (CDLRA) to support a focused and timely survey of Ontario's colleges and universities in Fall 2020.

1. Specific Responsibilities

- Work with the CDLRA Research Director and Research Team to create a successful virtual focus group of key stakeholders across Ontario's colleges and universities.
- Review and interact with the results of the focus group to help inform the direction and development of a responsive survey instrument.
- Advocate alignment with Ontario objectives and key metric areas where possible.
- Review and update roster of contacts for Ontario institutions.
- Encourage institution participation through outreach and response rally.
- Ensure Ontario results are prepared to release at TESS 2020.
- Facilitate the development of Ontario college and university and national infographics.

2. Education Required

- A Masters or Doctoral degree in Education, Educational Technology, or related discipline.
- Evidence of ability to understand, read and analyze qualitative and quantitative data.

3. Professional Experience

The successful candidate will have experience in online and digital learning administration and an understanding of the Ontario post-secondary sector.

4. Other Information – Project is expected to take 100 hours and contract period is expected to be from August 2020 to March 2021.

Please submit quotes to procurement@ecampusontario.ca.
